

MAGIC CITY CHORAL SOCIETY

Cultivating an inclusive community of singers and supporters united around the performance of choral music that entertains, educates, and inspires the human condition.

Dear Friend,

The Magic City Choral Society is planning its annual Summer Soiree fund raiser featuring a live and silent auction on Thursday August 5, 2010 and we are looking for help from leaders like you who value creating a more arts minded culture where excellent and free public performances are available to any and every citizen.

The Magic City Choral Society is a 501(c)3 community based choral education and performance organization open without audition to any adult male or female. Your donation will make it possible for any adult to participate in the choral arts through weekly rehearsals and weekly music classes. Moreover, we are extremely fortunate to have musicians who are highly educated and possess a wealth of professional experiences who offer this to our members through these classes and rehearsals. Like you, they value creating a more artistically minded culture through education that leads to excellence in real world public and free performance.

Your donation to the Summer Soiree will help us offset the cost of performing free concerts at the world class Alys Stephens Center. Since moving there for our holiday 2009 concert, we have received an overwhelming amount of positive feedback from both concert-goers and our singers. Our free concerts avail the arts to people without barriers. This sort of concertizing, while entertaining, also elevates the value of the arts, arts education, and, in our community's collective conscience. Together we are doing this, and as we continue to weave this sort of offering into the cultural web of our community, we are creating a living legacy for the future - and what a legacy it is becoming!

Over time and with your support, the activities of the Magic City Choral Society will naturally expand and branch out and upward like a strong tree rooted in the good soil of this, our community! Thank you for believing in us and for being part of the Magic!

See you Thursday August 5, 2010 at our Summer Soiree.

Sincerely,

Dr. Joseph Paul Dease
Founding Artistic Director
Magic City Choral Society
